1: Any components chromed, painted, polished or has carbon fibre which are not standard
Are classified as modifications.

Eg: 1-5 items = 1 modification.

6 and above items = 3 modifications.

2: Extractors and exhaust tips (full set) if not standard are each a modification.

3: Stainless or braided hoses and fittings are one modification.

EXTERIOR:

4: If paint is not standard, it is one modification / Murals are one extra modification.

5: If wheels are not standard, they are one modification.

6: Any non-standard body kits or update kits are one modification.

Interior:

7: Any non-standard radio (stereo unit) is one modification.

8: Any modified steering wheel is one modification.

10: Any re-upholstery is a modification. (Unless factory standard design)

Eg: 1-4 items = 1 modification.

5-8 items = 2 modifications.

9 - Above = 3 modifications.

Conversion from LH to RH drive is not a modification.

The underbody exhaust system will not be judged.

The underneath of the car will not be judged.

Internal engine components will not be judged / only external seen components.

If there is no window sticker, the car will not be judged.

Please leave bonnet and rear deck lid ajar (if applicable) for judging.

Vehicle must be unlocked for judges to judge interior.

This is an **HONOUR** system where the owner of their Vette designates how many modifications it has. If, on the day, you have a problem with the category some-one has entered, see them, **NOT THE JUDGES.**

This is meant to be a "FUN DAY" so please everyone enjoy yourselves.

***IF YOU NEED HELP IN DECIDING WHAT CATEGORY YOUR CAR SHOULD BE IN,
PLEASE CALL Craig Lamont. PH: 0419 653 535.***
